§9–807.

For purposes of venue, any violation of this subtitle is considered to have been committed in any county:

- (1) in which any act was performed in furtherance of a violation of this subtitle;
- (2) that is the principal place of the operations of the criminal organization in the State;
- (3) in which a defendant had control or possession of proceeds of a violation of this subtitle or of records or other material or objects that were used in furtherance of a violation; or
- (4) in which a defendant resides.
